

AEMA Awarded for Empowerment of Women in seafaring

Anglo-Eastern Maritime Academy (#AEMA) was proud to receive the Excellence in Gender Diversity Award at the recent MAREX Women in Maritime awards ceremony in Mumbai.

AEMA was honoured with the distinction for its efforts in leading, encouraging, promoting, and achieving #genderdiversity and #genderequality through consistent initiatives and policies.

From regular talks on #DEI and #mentoring initiatives to strong #antiharassment policies and a gender-neutral #education, AEMA has built up a supportive community where both male and female students can learn and thrive together.

Receiving the award on behalf of AEMA was principal Capt. Suneel Sule, who was accompanied on stage by academy psychologist Parnita Rasal and head of our Mumbai training centre Capt. K.N. Deboo.

Well done and congratulations to AEMA on its well-deserved #award win for leading the way in gender diversity and equality! #ShapingaBetterMaritimeFuture
